

MARS Photo Night Submission Guidelines

We'd love to showcase your photos at our Photo Night! Please help us put together the best presentation possible by following these guidelines:

DEADLINE: Tuesday, December 31, 2019

This is not a contest. Pictures you took that showcase your garden or plants, special photos that you took on garden tours or in someone else's garden, etc. are all welcome.

You may send up to 12 of your favourite photos, with a **maximum of 2 photos in each of the following categories:**

1. Single Rhododendron Truss
2. Whole Rhododendron Plant
3. Foliage Rhododendron
4. Companion Plant
5. Garden Scene
6. Creative/Artistic photos altered by technology

At the meeting, you are welcome to explain what your photos mean to you when they are presented if you wish (but it is not required).

Submission instructions:

Please email your digital photos to Glen Jamieson at president@marsrhodos.ca with "MARS Photo night" in the subject line.

In the email, please note which category each photo is intended for, plus the name of the rhododendron or plant or scene, if known.

Remember, the **deadline for submissions is Tuesday, December 31, 2019**. Don't miss the chance to share your photos!
